# Our divisions

**Whatever your sector our team are ready to help. We offer permanent and temporary placements for all role types and levels.**

## Onsite

*As your recruitment needs grow, consider onsite support. Our onsite teams literally become an extension to your workforce, taking care of everything from inductions to attendance. Less hassle, more efficient.*

## Future ready

*The world is changing every day, and no-one knows what lies around the corner – but whatever the future holds, Impact is ready.*

*We plan for change so that when new challenges and opportunities occur we're ready to respond.*

## COMMERCIAL

We find people for all kinds of businesses from junior placements to more senior director level roles, within HR, marketing, sales, finance, customer service and administration.

## INDUSTRIAL

Whatever your need, our team of experts will find you the right calibre of candidate, including pickers, packers, forklift drivers, loaders and machine minders.

## SUPPLY CHAIN

One of our key specialisms, we're focused on finding experienced candidates who are suitable for Director, Management, Team Leader and Supervisory roles in the supply chain sector.

## TECHNICAL & ENGINEERING

We understand the complexity and demands of roles in this sector and are ready to find the best people to suit your exacting requirements, whatever the level or role.

# THE IMPACT DIFFERENCE

recruitment services

## 360° RECRUITER

For many agencies managing costs is more important than providing a great service. You'll often find consultants and account managers have 360° roles and try to keep many plates spinning.

As well as finding candidates they've many other tasks to do, from payroll and candidate registrations to social media recruitment and onsite check ins. It's no wonder that service suffers and plates get smashed!

# Client testimonials

“

**Baxter**

*During my time as Commercial Operations Manager at Baxter Healthcare I have had the pleasure of working with Impact on several different recruitment assignments. Their ability to provide me with realistic, credible applicants is uncanny, which I think shows the level of detail and attention that they demonstrate whenever asked to find and place candidates.”*

**Alistair Shepherd**

Commercial Operations Manager, Baxter Healthcare

“

**HOWDENS**

*Impact are truly an extension to the Howdens team. They are unrivalled in managing our temporary workforce to an incredibly high standard that matches, and in some cases, exceeds our FTE performance. Their KPI reporting accurately demonstrates success and opportunities in our partnership which they always act on. Their local area knowledge plus their experience of our business makes them integral to our success. Thank you Impact.”*
